# ***LETTER FROM THE FISH FOR A CURE CREW***

Dear Friends of Fish for a Cure,

Fish for a Cure (F4AC) is now in its 19th year to raise vital funds for the Cancer Survivorship Program at Luminis Health Anne Arundel Medical Center's (LHAAMC) Geaton and JoAnn DeCesaris Cancer Institute. This event consists of the Fishing Tournament, Paul C. Dettor Captain's challenge, and a Shore Party, that has raised nearly \$6.5 million dollars since 2006!

Whether you're new to the challenge or a seasoned participant, there is no better time to be a part of F4AC as we have just been named "Best Nonprofit Event" in What's Up? Media's Best of Annapolis 2023 and 2025!

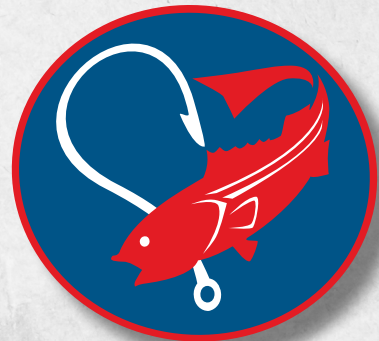

As you review the sponsorship opportunities, you will see there are many ways to get involved. Do you like fishing? Choose one of several sponsorships that include a coveted number of fishing spots and your logo on our signature F4AC t-shirts. Want to stay on land and enjoy good music, food, and drinks? Pick a sponsorship focused on the Shore Party.

Cancer affects every part of a person's life. LHAAMC's donor-funded Cancer Survivorship Program provides vital social, emotional, fiscal, and psychological support to patients and families as they navigate treatment, recovery, and survivorship. We invite you to join us as a F4AC sponsor and position yourself as a community leader in support of cancer care and survivorship.

We are grateful for every captain, angler, sponsor, donor, volunteer, and supporter who helps us make waves for cancer care year after year. Your dedication keeps our mission strong, and we couldn't be more grateful. Please contact us at [fishforacure@luminishealth.org](mailto:fishforacure@luminishealth.org) for questions or additional information.

Fair winds and following seas,

*Fish For A Cure*
