

# **FISH FOR A CURE** **MEDIA KIT 2025**

# ORGANIZATION BIO

Established in 2007, Fish For A Cure (F4AC) began as a gathering of friends seeking an opportunity to enjoy the beauty of the Chesapeake Bay, pursue their passion for fishing, and have fun. After a successful first year, the course of the tournament took an unexpected turn when one of the main participants' wives was diagnosed with cancer. A rigorous treatment schedule and the demands of daily family life nearly led to the end of the tournament. However, a few of the group members took the reins and turned the fishing tournament into a charitable event aimed at raising funds for cancer care.

Today, F4AC is a fishing tournament and fundraising challenge dedicated to supporting cancer care in our community. All funds raised through F4AC directly benefit the Cancer Survivorship Program at Luminis Health Anne Arundel Medical Center's (LHAAMC) Geaton and JoAnn DeCesaris Cancer Institute.

# MISSION & VISION OF FISH FOR A CURE

## *Why This Tradition Is So Important to LHAAMC*

F4AC aims to continuously support friends, loved ones, and neighbors through their fundraising efforts, benefiting the important patient and family-centered care programs and services at LHAAMC's Geaton and JoAnn DeCesaris Cancer Institute.

Through F4AC, the ripple effect of the Cancer Survivorship Program gives patients and families access to critically needed psychosocial services, including nurse navigation, nutrition counseling, psychosocial well-being, and oncology rehabilitation services. Without continued support from the community through this incredible event, these critical areas of care are more at risk.

# EVENT INFORMATION

The F4AC tournament, Paul C. Dettor Captain's Challenge, and Shore Party will be held on Saturday, November 1, 2025, in Annapolis, MD, at the Safe Harbor Marina.

# TOP-LINE F4AC STATISTICS

## Money raised in 2024

In 2024, the 18th annual Fish For A Cure raised more than \$1.1 million with over 2,700 donations ranging from \$1 to \$25,000 to support the Cancer Survivorship Program at Luminis Health Anne Arundel Medical Center's Geaton and JoAnn DeCesaris Cancer Institute.

- The #1 boat in the Paul C. Dettor Captain's Challenge Legends League, Reel Counsel, raised \$228,615.23, breaking a fundraising record.
- The #1 boat in the Paul C. Dettor Captain's Challenge Open League, AllTackle, raised \$49,274.61, also breaking a fundraising record.
- Total is more than \$6.5 million over the last 18 years.

## Total # of Participants in 2024

In 2024, we had 58 boats registered including captains and 123 anglers.

## F4AC's Impact

Fish For A Cure supports the LHAAMC Cancer Survivorship Program which impacts more than 2,000 friends, loved ones, and neighbors experiencing the unique challenges of a cancer diagnosis.

## DO'S & DONT'S

### DO

- Use dark blue for headers
- Use black for body copy
- Use splash cutout conservatively
- Use red for important headlines/banners
- Use wave graphic as divider/background
- Use baskerville sparingly
- Less is more

### DONT

- Use white copy on top of light blue background
- Use red copy on top of anything besides white
- Put splash cutout behind copy
- Let wave graphic cut through body copy
- Use light blue for copy on top of white
- Use red as background for anything besides thin headline banner
