LETTER FROM THE FISH FOR A CURE BOARD

Fish for a Cure (F4AC) raises vital funds for the Cancer Survivorship Program at Luminis Health Anne Arundel Medical Center's (LHAAMC) Geaton and JoAnn DeCesaris Cancer Institute. This event consists of the Fishing Tournament, Paul C. Dettor Captain's Challenge, and Shore Party that has raised more than \$7.7 million since its inception!

Whether you're new to the challenge or a seasoned participant, there is no better time to be a part of F4AC as we have just been named "Best Nonprofit Event" in What's Up? Media's Best of Annapolis 2023 and 2025!

As you review sponsorship opportunities, you will see there are many ways to get involved. Do you like fishing? Choose one of several sponsorships that include a coveted number of fishing spots and your logo on our signature F4AC t-shirts. Want to stay on land and enjoy good music, food, and drinks? Pick a sponsorship focused on the Shore Party.

Cancer affects every part of a person's life. LHAAMC's donor-funded Cancer Survivorship Program provides vital social, emotional, fiscal, and psychological support to patients and families as they navigate treatment, recovery, and survivorship. We invite you to join us as a F4AC sponsor and position yourself as a community leader in support of cancer care and survivorship.

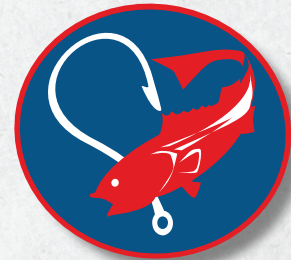

We are grateful for every captain, angler, sponsor, donor, volunteer, and supporter who helps us make waves for cancer care year after year. Your dedication keeps our mission strong, and we couldn't be more grateful.

Please contact us at fishforacure@luminishealth.org for questions or additional information.

Fair winds and following seas,

Rich Bowen and Brad Walsh

2026 F4AC Board Chairs

“ Supporting F4AC reflects the importance of community support for cancer patients and their families. Cancer continues to touch so many lives. ”

— Sally McCash, General Counsel, Carrollton Enterprises,
2025 Fish For A Cure Presenting Sponsor

WHY YOUR SPONSORSHIP MATTERS

Your sponsorship makes an immediate, local impact by funding donor-supported services for people facing cancer—services insurance doesn't cover, but patients rely on. Because of you, more than 2,000 patients and families each year receive nurse navigation, nutrition counseling, oncology rehabilitation, support groups and mental health care, social work and family counseling, and survivorship education.

Insurance doesn't cover these services. Supporters like you do.

If you choose to register a boat for the Fish For A Cure tournament, your sponsorship dollars may be applied toward a boat's fundraising commitment or directly support the cause, maximizing your philanthropic investment supporting donor-funded care.

LHAAMC offers a variety of ways to work together to achieve meaningful corporate and community goals. We can create a custom partnership that aligns with your organization's priorities while delivering real impact. Together, we can make great things happen for your company, your employees and their families, and our community at large, including:

- **Marketing opportunities** that provide visibility and position your company as a local leader in partnership with the community's trusted hospital
- **Strategic communications** that highlight your investment in community health across local audiences
- **Brand alignment** that showcases your company's values, social impact goals, and commitment to compassionate care

For more information on sponsorships, boat registration, or how your dollars can be applied, please contact **Marie Treanor**, Corporate Giving Officer at mtreanor@luminishealth.org.

LHAAMC's Belcher Pavilion
5 p.m. — 7 p.m.

Tournament
Concludes at 3 p.m.
Shore Party
5 p.m. — 9:30 p.m.

Thank you for championing the mission of Fish For A Cure. Your sponsorship directly fuels donor-funded services that patients and families rely on every day—services not covered by insurance, but made possible through partners like you.

As we look ahead to 2027 and Fish For A Cure's 20th anniversary, this milestone year represents both a celebration of progress and a call to deepen our collective impact. With your support, we can strengthen the Cancer Survivorship Program at Luminis Health Anne Arundel Medical Center's Geaton and JoAnn DeCesaris Cancer Institute, ensuring patients and families in our community continue to receive comprehensive and compassionate care.

Please reach out with any questions or to discuss partnership opportunities further.

FISH FOR A CURE

THANK YOU!

Mark your calendars!

Fish For A Cure 2026 will take place on Saturday, November 7, 2026.

We're deeply grateful to our sponsors, captains, anglers, volunteers, and community partners for making the 2025 Fish For A Cure Tournament, Paul C. Dettor Captain's Challenge, and Shore Party an incredible success! Thanks to your generosity, we raised more than \$1.2 million in 2025, bringing our total to over \$7.7 million in support of the Cancer Survivorship Program at Luminis Health Anne Arundel Medical Center's Geaton and JoAnn DeCesaris Cancer Institute.
